

## Navajo Nation & Hopi Reservation Supply List

Air Serv International will be serving the Navajo Nation and Hopi Reservation with weekly supply flights as the residents continue their fight against COVID-19. The lack of stock within the territory and mandated curfew have severely limited access to basic necessities. Those who wish to support this program are asked to consider making a donation at [www.airserv.org/donate](http://www.airserv.org/donate) or consider gifting items on the list below.

All items donated must be new and unopened. To inquire about quantities, where to send items for donation, or discuss other ideas you may have regarding how you can support the Navajo Air Bridge program, please contact us at [info@airserv.org](mailto:info@airserv.org). Thank you!
